300 Dead Deer Checked In 2 Days

With the first week of the 1964 deer season over, a Lands and Forests department officer said Sunday that the deer are recovering from two bad winters three and four years ago.

Percy Swanson, Fish and Wildlife supervisor, said deer checking stations were in operation Saturday and Sunday at Burleigh Falls, two miles north of the village on Highway 28, near Norland and Kinnmount.

He said traffic was very heavy at Burleigh Falls and well more than 300 deer passed through the station during the two days.

"The animals all appeared very big and healthy," he said.

"They appeared to have recovered from the severe winters of three and four years ago."

Mr. Swanson said 18 or 19 bears were taken through the Burleigh Falls station during the week-end.

TRAFFIC HEAVY

One five-year-old buck weighed 275 pounds and another buck weighed 252 pounds, Mr. Swanson stated.

Conservation Officer Robert Dyke who was on duty Saturday at Norland and Sunday at Union Creek near Kinnmount, said traffic was exceptionally heavy. He said: "Indications are that results of the annual hunt will

be most favourable."

Officer Dyke said he saw many black bears being taken through the stations.

"The hunters seemed well satisfied with hunting despite the warm weather," he stated.

The first two days of the deer hunt produced only mediocre results in Lindsay district, but it seemed to improve later, Mr. Swanson said.

In Minden district a party of 12 men had nine deer while another party of 10 had seven deer.

The deer checking stations will be in operation again this week-end, Mr. Swanson said.

2 Men Pay Court Costs In Battle Over Land

LINDSAY (ENS) — A two-day legal battle over a land dispute in Dudley Township ended last week in supreme court.

Mr. Justice Leo Landreville dismissed a charge after hearing almost 12 hours of testimony.

The dispute involved two lots on Drag Lake which were sold at approximately the same time. At least two surveys had been done on the area.

However, after the purchases were made, one of the owners, Kenneth D. Wiseman, Toronto, said he discovered his lot was about 30 feet short of the 1,320 feet width.

Norman H. Sisco, Oshawa, the other land owner, said when the lots were originally surveyed, there was a 66-foot wide road allowance between the two properties.

In the survey, Mr. Sisco's counsel said, the lots were marked off 20 chains wide with allowance every five lots for a roadway.

LIKE HOUSEWIFE

Mr. Justice Landreville said Mr. Wiseman's case for more land was like a housewife who

went out to buy some material for a dress.

If she didn't believe that the store keeper gave her the right amount of cloth, then she should measure to see just how much she did get, he said.

He said that the plaintiff did not show how much width his lot had and didn't state in any way that he was actually short of land.

"I am satisfied that Mr. Sisco has 1,320 feet width on his lot and has received the land entitled to him, and no more. The evidence given is overwhelming for the defendant," he said.

Mr. Justice Landreville said that both parties purchased the land at about the same time but at no time did Mr. Wiseman order a survey before the deal was closed.

In taking the dispute to court, he said, Mr. Wiseman "innocently led himself into tremendous expense."

The decision will be a benefit to the owners along that part of Drag Lake, he said, and also to residents of the entire area.

Therefore, he ordered that each of the parties involved pay their own costs.

New Arena Ahead Of Schedule

Great progress is being made on the new Arena and Community Centre at Haliburton. The outside cement block work is just about completed and we understand that they will be starting to construct the roof next week.

Albert LaRue, chairman of the Dysart Community Centres Board reports that donations to date total \$10,474.22. More money is still needed so please send in your contribution to-day.

Sherwood Forest Camp Discontinued

We have just learned that Cecil and Jean Irwin who developed and operated Sherwood Forest Camp for boys on Big Boshkung Lake over the past 31 years on one of the most beautiful locations in the county, have reluctantly decided to discontinue its operation.

Its two miles of shoreline, wonderful beaches and unique log lodge have made it a show place for years, and in earlier days a centre for many community activities. For 20 years it was used by various forestry groups in the spring for courses and field training. — University of Toronto forestry students, government log scalers and forest rangers — until adequate facilities were built at the Ontario Forest Ranger School. We have no knowledge of its future use or disposition.

Night School

It has been decided that we will not hold night school for academic, technical or commercial subjects this year, since there were a very few students interested in such a programme.

However, on Tuesday, January 5, and running through twelve nights until March 23, there will be night school as in the past consisting of general interest courses in the following subjects: Law, Bookkeeping, Typewriting, Art, Choral Group, Photography, Badminton, Horticulture and Landscaping, Sewing, Hairdressing, Millinery, Beginner's Bridge, Auto Mechanics, Machine Shop Practice, Wood Working, Drafting and Blueprint Reading, House Wiring, and The New Approach to Mathematics. Mr. Hodgson at the high school would certainly be interested in starting other courses provided a sufficient number of people would be interested in attending.

CHEX Opposes Request For Haliburton Television Station

A proposal to set up a television broadcasting station at Haliburton has been opposed by CHEX-TV in Peterborough.

The proposal was placed before the Board of Broadcast Governors last Wednesday, the Canadian Press reports.

The bid was made by Ralph Snelgrove, operator of CKVR-TV in Barrie, about 75 miles southwest of Haliburton.

The board will announce its decision on the proposal later.

Mr. Snelgrove told the board at a public hearing that the proposed satellite station would rebroadcast the signals from his Barrie station. He said the CKVR-TV signal is received in the area but picture quality is inconsistent.

Area residents had asked whether the signal could be improved, Mr. Snelgrove said, and a satellite station would do this. A check showed that the Barrie TV signal arrived at most areas near Haliburton with about double the strength of the signal from CHEX-TV despite the greater distance.

HILLS A FACTOR

This was because of high hills between Haliburton and Peter-

borough. If the board approved the application, the satellite station could be put into operation in "a very few months".

Don Lowry, broadcasting director, presented the CHEX-TV opposition on behalf of Wally Rewegan, CHEX-TV manager who was ill and could not appear.

The Peterborough station asked for a deferment of decision to allow time to study service to the Haliburton area. CHEX-TV had doubled the height of its transmitting tower and this had helped. But because of the hilly terrain, there were still pockets in the Haliburton Highlands where the signal was bad.

SPORTS NEWS

The Haliburton Juveniles who have been working out at the Bobcaygeon Arena will be testing their strength when they meet the Lindsay Juveniles in an exhibition game at the Lindsay Arena on Tuesday night, November 24th.

Three Local Boys Playing With Lindsay Juniors

Three Haliburton County hockey players namely Jim Scheffee of Haliburton and Paul Yearwood and Mike Jackson of Minden are playing with the Lindsay Juniors this season.

Scheffee and Yearwood played in Lindsay last year and Mike Jackson is playing his first season with the team.

Lindsay went to the Ontario finals last year and hope to go all the way this year.

Rick Bain of Haliburton played for Lindsay last year but is over the Junior age limit this year. Craig Gartshore of Minden also played with Lindsay last year.

HALIBURTON NEWS LETTER . . .

While we may be a little late in doing so we would like to highly commend our local fire brigade and our Provincial Police detachment for the manner in which they combined to make Hallowe'en night in the Village of Haliburton one of the safest and sanest in years.

Last year things got out of hand and that element that are out to destroy as much private and public property on this occasion were really cut down to size. True, some minor damage was done but the overall picture was the best in years.

One of the finest displays of rings to be seen anywhere was at Varty's Jewellery and Gifts last week. There were over three thousand rings of every size and color on view, some being valued at very few dollars

while others priced up in the hundreds. Quite a number of ring fanciers took the opportunity to see this colourful display.

In 1937 Dysart passed a by-law which had the effect of getting the cows off our main street as they were causing traffic jams in the summer season. This was a good progressive move, but we still have problems on our main street, one of the worst being the manner in which water is allowed to lie in front of business places. An example of this can be noted anytime after a rain, especially in front of the Laurentian Pharmacy. As this is a matter of improper drainage only, one wonders why the Department of Highways does not rectify the situation. From what we can learn the proprietor of this drug store has appealed for

some action in this matter, in short he is tired of people stepping out of cars in front and finding themselves in water up to their boot tops, but so far he has just received the old familiar brushoff.

The small business man who must pay taxes and act as tax collector for our governments for free should receive a whole lot better deal than the Laurentian Pharmacy is getting.

Reports from the hunting camps for the most part appear to be from fair to excellent. Three different parties that we have heard of secured in the first eight days of the hunt seven deer and in some cases they had bagged four bear. The bear population must be increasing rapidly in this area. Apparently the same thing cannot be said for moose.

OBITUARY

JOSEPH HEWITT

On Monday, November 2nd, 1964 there passed away another of the village's elderly citizens in the person of Joseph Hewitt, beloved husband of the late Margaret Ann Coulter who predeceased him a few weeks ago. He was in his 88th year.

Mr. Hewitt enjoyed good health until two years ago when he suffered a stroke which left him semi-invalid and then since last July he has been in a nursing home where he passed away.

Mr. Hewitt was born at Boskung in Stanhope Township, the son of the late W. G. Hewitt who was an early pioneer in that township settling there over one hundred years ago. He lived on that farm for nearly seventy years; while there he was a very active man in his regular duties and the well being of every neighbour and friend.

He served on the township council and school board, was warden of St. Stephen's Church, Boskung many times and was a member of the Orange Lodge. In 1929 he was foreman on the highway when Hall's Lake was joined to Dorset. He retired from the farm almost twenty years ago and has resided in the village since then, where he spent a great deal of time in his garden.

He is survived by four sons and one daughter, Alex of Carnarvon, Ernest, John and Earl of Minden, and Minnie (Mrs. Stuart Dawson) of Maple Lake and 13 grandchildren and six great grandchildren.

The body rested at the Funeral Home of John Welch and Son until Wednesday, November 4th when the funeral service was held at St. Paul's Anglican Church where he and his wife were married some 62 years ago. Rev. Charles Dymond conducted the service which was largely attended by relatives and friends from a large area.

Interment was in Minden Cemetery with Ben Harrison, Wilfred Mason, Leslie Coulter, Percy Brintnell, Robert Herlihey and Murray Hewitt who were his close neighbours at Boskung and Minden as pallbearers.

The beautiful floral tributes testified to the love and esteem in which the deceased was held.

News Notes From The County

Betting may be revived at the horse races held at the Lindsay Central Exhibition next year. This was one of several recommendations to come out of the October Board of Director's meeting. Exhibition manager Newton Wilson says the pari-mutuel betting systems re-introduction to the races has been recommended on the basis of experience gained when it was last used in 1961. The manager says other recommendations advanced were that (a) a higher calibre of stage show should be sought; (b) that the grandstand horse show should be completed by 8 p.m. to give visitors an opportunity of seeing the stage show without interruption and (c) that more space should be provided for exhibits in the Junior Arts and Crafts and 4-H Educational Sections. In connection with the last mentioned recommendation, the manager said it was prompted by the overflow exhibits in these sections.

Don Barrett, salesman for the Peterborough Automotive Supply Co. who travels in the Haliburton District, last week presented a cheque for \$2,250 to George Hodgson. It represents the second and final installment of a pledge made by the Lindsay Kinsmen Club to the Academy Theatre Foundation.

Enough people to populate a major Canadian city patronized Provincial Parks in the Lindsay Forest District of which Haliburton County is a part of. 670,912 people visited the parks and these found their way to one or more of the five estab-

lished park sites.

The Hunter's Ball was held at the Legion Hall in Haliburton last Friday night.

Nominations for Reeve, Council and School Trustees for the Township of Glamorgan will be held in the Municipal Office, Gooderham on Monday, November 16th, 1964 from 7 p.m. to 8 p.m.

The next Euchre Party at the Donald Community Centre will be held to-night (Thursday).

The Court of Revision for the Townships of Anson, Hindon and Minden will be held in the Municipal Office at Minden on November 19th at 10 a.m. to hear appeals against the 1965 Assessment Roll.

We have just received a report that Jeff Barry and the Rhythm Ranch Boys from Erin who played at the Legion Hall at Haliburton two years ago will be appearing on Barrie TV, Channel 3 this Saturday at 12 o'clock.

Last week fire hazards in the Lindsay District were high. One fire was extinguished. Four fires were burning in Monmouth, Cavendish, North Burley and Cardiff townships. They are all under control.

The Department of Lands and

Forests state that although the current warm spell is not liked by deer hunters because of the difficulty encountered in tracking deer and keeping venison from spoiling, it is ideal pheasant weather.

The Grand Jury at the current session of the Supreme Court made seven recommendations for the Victoria County Court House if a new building does not appear imminent. The jury inspected the County Home for the Aged, County Jail and County Building.

There continues to be plenty of work in all parts of Haliburton County.

The Haliburton Rotary Club will once again be selling Christmas trees here this winter.

Charges are pending against three men found with a high-powered rifle recently south of Lindsay. Percy Swanson, Fish and Wildlife Supervisor of the Department of Lands and Forests said anybody found with an uncased high-powered rifle after dark will be deemed to be jack-lighting deer. Mr. Swanson said a second charge of being in possession of an uncased firearm after dark could be placed.

LINDSAY (ENS) — Leonard Richardson, 17, of 114 Regent St., was remanded one week when he appeared before Magistrate Ian Munro Monday last charged with theft of gasoline from Lindsay Coal Company.

The remand was requested by Crown Attorney Lorne Jordan because of the absence of one of the crown witnesses. Mr. Jordan explained that the witness is "deer hunting".

Jean Guy Hamil of Chicoutimi, Que., charged with car theft, was remanded until Wednesday. He was arrested by Minden Provincial Police last week.

Mr. Richard Salommons, 47, operator of Algonquin Tourist Lodge, Lake St. Peter, died last Monday afternoon at approxi-

mately 2 p.m. while hunting. It appears that he shot his deer and died following the incident. Mr. Salommons had this year taken over the Lodge from its former owner, Mr. E. Oram. He had been a resident of Cooksville.

The hunting season is just about over. Some hunting camps report good success while others say hunting has been poor. After talking with some local hunters, they tell us that moose seem to be quite plentiful.

One Ontario pharmacist has decided to give the "Smoking and Health" campaign more than moral support. He is so convinced of the connection between lung cancer and smoking that he stopped selling cigarettes in his store — and then burned his entire \$300.00 stock.

The Haliburton Rotary Club are asking all citizens in Haliburton and surrounding area to put aside articles that can be used for next year's Rotary Auction Sale. If you are doing your fall housecleaning and come upon articles that can be used for the sale, please call Bill Emmerson at Haliburton and he will arrange to have it picked up.

Bill Parish Stars With Bobcaygeon

Bill Parish, son of Mr. and Mrs. Stan Parish is turning out to be a great hockey player. Bill is playing with the Bobcaygeon Junior team who are playing in the Central Ontario Junior Hockey League with nine other clubs including Lindsay.

On Friday night last the Bobcaygeon team, who are undefeated so far this season, beat Woodville 10-6 and Parish came up with a goal and several assists.

Rotary News

The Haliburton Rotary Club held their weekly luncheon at the United Church at Haliburton last Thursday night. Seven members were absent and we were pleased to note that the club had another 100% meeting last week.

Five guests were present, namely Maurice Hart of Oshawa, David Chambers of Peterborough, Bob Hall of Oshawa, Norm Sisco of Oshawa and Russ Murphy, also of Oshawa.

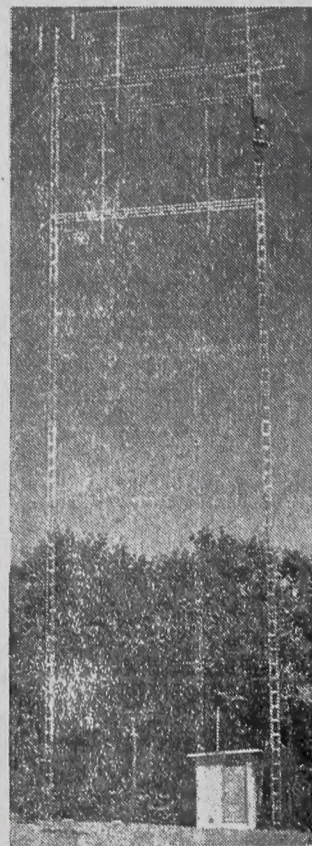

President Don (Joe) Hes reminded the members that the District Governor would be making his official visit here on November 19th.

The guest speaker for the evening was Russ Murphy, a lawyer from Oshawa. He gave a splendid talk on different parts of the law with some dealing with the subject on Civil Rights. He was introduced by Ron Curry and thanked by Lester Walling.

The local Rotary Club held their Annual Halloween Party for the children on Saturday night, October 31st at the Molou Theatre at Haliburton. A large turnout of children were on hand for the costume judging and the movie which was Walt Disney's "Lady and the Tramp". Rotarian Dick Clarke did his usual good job as master of ceremonies and the judges were Ken Wilson, Len Salvatori, Lance Easton and Bill Emmerson.

RETROSPECT ON REMEMBRANCE

Is there any point in prolonging the observance of that middle-aged and melancholy occasion known as Remembrance Day?

They mean nothing to about eighty per cent of the several million immigrants to Canada since World War II. How would you feel about Remembrance Day if you were a former German tank commander, or an Italian ex-infantryman?

Both the world wars of this century are ancient history to school children, and the old clichés of the day — "sacrifice," "laid down their lives," "fought for freedom" — leave them solemn but uncomprehending.

And last, but not least, it interferes with business. Merchants will tell you, with tears as big as turnips in their eyes, that they'll go broke if they have to close upon November 11. Manufacturers will assure you that the one-day interruption of production will force them to the wall.

In view of all this, is there any sense in hanging on to this special day? Why not cut it down to a one-hour coffee break on Nov. 11th? Within a couple of years, this could be further reduced to a two-minute silence. And within a decade, the whole archaic business of remembering a few million dead men could be discarded.

Is there any meaning in it any more? I don't know how you feel, but my answer is a resounding, reactionary Yes! It is based not on facts, facts, but on emotion.

I'm a sucker for Remembrance Day. There's something to mist the eyes in the jaunty gallantry of the old vets as they try to match the swing they marched with 46 years ago, here a stiff leg swinging, there a pinned-up sleeve.

And there's something almost equally touching in the vets of World War II. They straighten their backs, pull in their pots, ignore their kids waving at them from the sidewalk, and for a

few brief moments toss away 20-odd years and become tough Canadian troops, striding toward their destiny.

During the two-minute silence at the Cenotaph, I remember. I remember the two lads, a Canadian and a New Zealander, with whom I shared a tent in Normandy. Both shot down within three days.

I remember Frankie, English, 18. He had a baby face, a big grin and a run of bad luck. One day he dropped a 500-pound bomb, purely by accident, in a neighboring army camp, and the troops were rather hostile to airmen for a few weeks. Another time he was sent to England on the beer run. Flying back across the channel, he spotted two German fighters about to attack him, jettisoned his extra tanks and prepared to defend himself. The extra tanks, full of beer, went into the drink. The German fighters turned out to be two oil specks on his windscreen. And he was nearly lynched when he arrived and told his story. His luck ran out one day. Hit by flak, he bailed out and his parachute failed to open.

I remember the dreary November day six of us carried a coffin up a bleak hillside to a stony cemetery in North Wales. It contained what they'd been able to scrape up of Paddy Burns, Australian, age 20, after he flew into a hill.

And I remember half a hundred others: roaring boys, laughing boys, timid boys, gay boys, and boys scared stiff.

And when the Last Post plays their sweet requiem in the still, autumn air, I'll be there, my face all crumpled and a lump as big as a boiled egg in my throat.

Scrap Remembrance Day? Not as long as I can still cry, and there's free beer at the Legion Hall after the parade.

Chamber Of Commerce Report

(Continued from Last Week)

The third largest number of inquiries comes from a group of ten percent of the total requests. This group is hunting for housekeeping accommodation. This appears to be a developing trend, and one that is well worth watching. There is at least one resort in our area that has started to convert their lodge to what is called the modified American Plan. This plan involves having light housekeeping facilities in the accommodation so that guests can obtain their own breakfast and lunch, but the rate includes dinner in the main lodge as well as the regular maid service to the unit. This style has been very well received and may well be the trend.

I might also mention here that by means of the visitors to the information centre and by other media such as the Department of Tourism and Information and other travel Agencies the following literature has been distributed.

20,000 folder maps of the Highlands, 4,000 Business directories (total printed), 4,000 Ontario road maps, 3,000 Festival of Colour folders, 2,000 Ontario camp site books.

A healthy tourist trade benefits every man, woman and child in the area. Although perhaps a great percentage of the general public do not realize to how great an extent their economy depends on the tourist dollar. Here I will quote statistics again.

25% of each tourist dollar goes to the retail store; 22% to Restaurant and food stores; 17% to Hotels, Resorts and Tourist Camps; 12% to service stations and garages; 9% to Movies, entertainment and recreation; 7% to Train and steamship fares etc; 5% to refreshments and roadside purchases; 3% to Souvenirs and miscellaneous things.

Canadian dishes on our restaurant menus is one feature we have over-looked too long. Too many dining places feature "Idaho Potatoes" and "Cape Cod Oysters". These names are typical in the United States, but certainly have no appeal to the American visitor.

It's high time our menus carried such items as Skyline Park Salad, Kashagawigamog Raspberry Pie, Highland Fried Chicken, Algonquin Roast Beef and Sir Sam Hughes apple pie with Bellville Cheddar Cheese.

Tourists are our best market for distinctive handicrafts. Really

good souvenirs will attract large numbers of tourists. We have had developed the Highlands of Haliburton Tartan. The Tartan as such was introduced about a year ago now, and since that time the sales have reached a figure of \$4,500.00. This figure is perhaps not too significant, since we have just recently had an increase in the number of items one can purchase made of the tartan. The main item which we now lack is men's shirts. These we hope will be on the market for next season.

The Chamber of Commerce is the exclusive supplier of the Tartan in this area and you, the member, the sole distributor. By next summer I hope the Tartan will be for sale in every outlet capable of handling it. The sales potential is great, one resort this summer sold over \$500.00 of the tartan in two months.

I hope that from this report you will more fully appreciate what we as a Chamber of Commerce, are trying to accomplish and how you as a member can help us to fulfill this very important work in the Highlands of Haliburton.

We as a Chamber of Commerce request you, the Lodge owner, store keeper or whatever business you may be in or you the private citizen, to keep a close watch for items of importance that need development, correction or attention of any kind. We are here to help you help us to promote the Haliburton Highlands.

4 City Men Drown On Hunting Trip

HUNTSVILLE (Special) — Four Toronto men drowned last Sunday near here during a hunting trip they had been planning for months.

The four, all of whom worked for Dominion Stores Ltd., left Saturday for Oxbow Lake, setting out in a small boat to go deer hunting.

The boat tipped, according to Coroner E. J. Cloutier, sending the four into 38-degree water.

David Tweedale, of Fermanagh Ave., was found clinging to the boat several hours later and is believed to have died of shock.

The others, missing and presumed drowned, are: George Collins of Sammon Ave., Eli Codner of Dermott Pl., and Fred Whibley of Green Tree Court. Skindivers searched the lake until darkness fell Sunday. They continued the search Monday.

Both wind and water were calm when the boat capsized near the middle of the lake, said Dr. Cloutier.

H.H.S.S. Hosts Girls' District Volleyball Tournament

On Saturday, October 31 the Kawartha "B" District Junior and Senior Girls' Volleyball Tournament was held at Haliburton Highlands Secondary School.

The Kawartha "B" District is comprised of the following schools: North Hastings District High School, Bancroft, Fenelon

Falls District High School; Lakefield District High School and Haliburton Highlands Secondary School. Junior and Senior teams from these schools participated in the tournament.

The round robin tournament got under way shortly after 9:00 a.m., after being opened with school cheers by the cheer-

leaders from each of the participating schools.

Rated officials from the Peterborough district refereed the tournament, and a delicious full course dinner for all participants was catered by Mr. Mark Schell of the school cafeteria, provided by the Girls' Athletic Association and the Physical Edu-

cation Department. All games were completed by 3:30 p.m. and a half-hour victory dance was held in honour of the winners.

It was a very successful tournament, even though the Haliburton teams did not emerge victorious. Our girls provided good opposition but the Lake-

field Junior team and the Fenelon Falls Senior team were the winners, and these teams represented our district in the C.O.S.S.A. Tournament held in Pickering on Saturday, November 7th.

Senior Team: Laurel Duncan, Lynda Rosenberg, Pam Lonsberry, Joan Barker, Patsy Watson, Daneen Rae, Joan Walker, Sandra Thompson, Pat Roberts, Cheryl Brooks.

Junior Team: Tanya Hewitt, Dorothy Stamp, Donna Olan, Susan Sedgwick, Debbie Best, Barbara Winfield, Kristine Sisson, Beverly Sawyer, Rosemary Elstone, Dawn Wallace.

Scorers and Timers: Anne Schell, Nerina Aishford, Cassie Henry, Beverly Coneybeare.

Cheerleaders: Pat Lahay, Jill Sisson, Jane McKay, Pat Bain, Kay Byers, Theresa Strong, Susan Bush.

Tournament Assistants: Robin Schell, Barbara Brown, Patsy Deacon, Margaret Yarnold, Sylvia Roberts, Stephanie Pritchard, Cathy Carroll.

MANY FALSE CHRISTS

Matt. 24: 11, 24

Almost from the very beginning mankind, alienated from God, has lived under a reign of sin and death. In every age God has called a few individuals to His service but mankind in general have been divided into two classes: those of good will, having a sincere desire to live and let live and to serve their fellow man, and who have striven by their own efforts and works to bring about a reconciliation between themselves and God; and the wicked, who have striven for mastery over their fellow man.

God promised He would send a deliverer, spoken of in Hebrew as the Messiah and in Greek as the Christ, or anointed one, to deliver men from unrighteousness and bring them back into harmony with Himself. Jesus, of the tribe of Judah, of the seed of David through Joseph and Mary, came and declared Himself to be that one. "I am the way, the truth, and the life: no man cometh unto the Father, but by me" (John 14:6). Knowing the enemy and the fate that would await Him, what faith and courage it took for Him to make that statement! The high priest called it blasphemy and, together with the chief priests and elders, incited the people to demand of the Romans His crucifixion (Matt. 26:65,66; 27:1,20,22,25).

Christ declared, "Many false prophets shall rise, and shall deceive many", and, "many shall come in my name, saying, I am Christ" (Matt. 24:11; Luke 21:8). Do you know who the many false prophets are who have arisen? Do you know who the many false Christs are who have come in His Name? If not, why not, for Christ said there would be many and as He is the personification of truth there must have been many, and now, at the culmination of the age, there must be very many! Who are they? Have we been so deceived we don't recognize them? Are we looking for men to rise up and literally say, "I am Christ"? If so, we are manifestly in error for there never have been many such and there are few, if any, at the present time.

Christ did not organize His followers, but said, "One is your Master, even Christ; and all ye are brethren" (Matt. 23:8). The apostles did not organize but simply appointed elders and deacons to serve in each ecclesia, or local assembly, so that the affairs of the local assembly could be carried on decently and in order. But even before the apostles had fallen asleep deceivers crept in to pervert the faith and to deceive the disciples into following men so that some said, "I am of Paul; and I of Apollos; and I of Cephas (Peter)," and Paul condemned them for it (1 Cor. 1:11-13; Gal. Chapters 1 & 2). From that beginning many so-called Christian organizations have come into being and have flourished, increasing in number as the age has gone by. All claim to speak "in His name," each one taking the position that it is the doorway to God, that it has the truth and that what it does and would have its adherents do is the course of action, or life, well pleasing to God. But Jesus said, "Verily, verily, I say unto you, He that entereth not by the door into the sheepfold, but climbeth up some other way, the same is a thief and a robber . . . Verily, verily, I say unto you, I am the door of the sheep . . . by me if any man enter in, he shall be saved"; that is, saved from sin and unrighteousness (John 10:1,7,9).

No organization can survive without loyalty and obedience from its members, whether given freely or through fear. It therefore of necessity demands their obedience regardless of conscience and preaches eternal woe in one form or another to anyone who leaves the organization. Thus all religious organizations, call them churches or what you may, come between man and God and are a far cry from that which Christ and the apostles taught. In effect they take the position that they are "the way, the truth, and the life," without any Scriptural basis for the claim. Christ gave His credentials in that which He said and did. He was rejected and crucified (Matt. 27:35). Paul declared of Him, "There is . . . one mediator between God and men, the man Christ Jesus" (1st Tim. 2:5). Any other man or body of men claiming to be the channel of truth, even though coming in His Name, is a false Christ, a false Messiah.

True Christians, called of God as Christ was, follow Him. "Then said Jesus unto his disciples, If any man will come after me, let him deny himself, and take up his cross, and follow me" (Matt. 16:24). He blazed THE WAY, and they follow in that way. What was the way of Christ? "Lo, I come (in the volume of the book it is written of me) to do thy will, O God" (Psa. 40:7,8; Heb. 10:7). He was in spirit and in fact immersed, baptized, into the will of God. So must all true Christians be.

Christ was the personification of THE TRUTH, the Scriptures, the word of God, and all true Christians are taught of Him. "One is your Master (teacher), even Christ" (Matt. 23:8). He was wholly and solely guided by the word of God — the Hebrew Scriptures — and so must His followers be. "The word which ye hear is not mine, but the Father's which sent me" (John 14:24). "And beginning at Moses and all the prophets, he expounded unto them in all the Scriptures the things concerning himself" (Luke 24:27).

In what sense was Christ's life THE LIFE? It was a life wholly in harmony with God. "This is life eternal, that they might know thee the only true God, and Jesus Christ, whom thou hast sent" (John 17:3). Through the Hebrew Scriptures Christ came to know God, His attributes and purposes, and so enjoyed that quality of

life spoken of as "eternal life," a life completely in harmony with righteousness. His true followers also must come to know God and this they do through His word.

God declared He would through the Messiah, or the Christ, reconcile all-Israel unto Himself, that is the whole house of Israel — Judah and Ephraim, the bulk of the latter being the Anglo-Saxon-Celtic peoples — and that then through all-Israel He would reconcile the balance of mankind unto Himself, nationally and individually, until "every knee should bow . . . and every tongue should confess that Jesus Christ is Lord, to the glory of God the Father" (Isa. 45:23; Phil. 2:10,11). There will in the last analysis be no exception, either individually or nationally. All will be reconciled to God and given life in its fullness! Jesus at the Jordan was anointed by God to carry out this commission. "No man (or organization) taketh this honor unto himself, but he that is called of God, as was Aaron" (John 6:44; Heb. 5:4,5). Jesus received no anointing of men; neither do His true followers. He said, "I receive not honor from men . . . How can ye believe, which receive honor one of another, and seek not the honor that cometh from God ONLY" (John 5:41,44).

So then, all religious organizations, whether great or small, are false Christs, false prophets; deceiving and being deceived. Those calling themselves "Christian" claim their commission has been and is to convert the world and bring it to God. What! Convert Satan's world? (2 Cor. 4:4) They have tried to do the impossible! No wonder they have failed! And now, in keeping with the trend of our times, religion being a necessary part of a world government, they are, under the direction of the hidden government, subtly putting forth, through compromise, a gigantic scheme to band together as one mighty religious organization in their endeavor to perpetuate and make more secure their power over the people, calling it a broad and liberal view. Yes, truly, a view so broad that at no point do they take a stand for truth. But true Christians will have no part therein for Christianity — truth — brooks no compromise! Christ, speaking to and of the scribes and pharisees said, "Ye hypocrites, well did Esaias prophesy of you, saying, this people draweth nigh unto me with their mouth, and honoureth me with their lips; but their heart is far from me . . . teaching for doctrines the commandments of men" (Matt. 15:7-9). Are not His words equally applicable to their counterpart, the leaders of organized religion, today?

Present day conditions fulfill Christ's words, and the words of the apostle Paul, as to the signs of the end of this age (Matt. 24; Luke 21; 2nd Tim. Chapter 3), when wickedness would come to its full. Never has there been "upon the earth" such "distress of nations with perplexity" as there is today. The people, deceived by the "mystery of iniquity" or "hidden government," which Paul tells us was already working in his day (2nd Thess. 2:7), are blind to the portent of events, "men's hearts failing them for fear, and for looking after those things which are coming on the earth" (Luke 21:26).

At the time of Christ's first advent all men were in expectation of the Messiah. Now as we near the time of His second advent, when His Kingdom will be established on this earth, all men are in expectation of a world government. The plans of the "mystery of iniquity" are nearing their culmination and they are determined that they shall be the rulers of the world. In their drive for power and in their role as the "waster to destroy" (Isa. 54:16) they have brought about the conditions we are now witnessing, endeavoring to destroy the present order that they might establish their own rule and bring mankind into ruthless slavery. They have indeed almost succeeded in destroying that which we have called civilization but, while seemingly making great progress toward the establishment of their world kingdom, they will not succeed for upon the ruins of this present order the God of Heaven will set up His Kingdom under Christ, by which and through which He will sweep away the refuge of lies and bless all the families of the earth with peace, truth and righteousness (Isa. 9:6,7; 28:17; Dan. 2:44). The wicked will be purged, figuratively by fire and brimstone, and all men will be saved from sin and unrighteousness as God has willed (1st Tim. 2:3-6), to His praise and glory and the joy of mankind.

God's purpose for man is revealed in the Scriptures, the word of God, and nowhere else. Therein we are told plainly how we got here, why we are here and where we are going. That purpose assures you as an individual of life upon a plane of existence so high and lofty it is beyond man's power of imagination. You and I, and everyone that has ever lived or is yet unborn, will be made in God's image, after His likeness, blessed with life eternal — God's gift (Rom. 6:23). "Not of works, lest any man should boast" (Eph. 2:9).

"Comfort ye, comfort ye my people, saith the Lord" (Isa. 40:1,2).

"Thy Kingdom come. Thy will be done in earth, as it is in heaven" (Matt. 6:10).

OBITUARY

HEDLEY BEST FEIR

In the early hours of Thursday, October 22nd, Hedley Best Feir quietly passed away in his sleep thus marking the end of a lengthy but well spent life.

The late Mr. Feir who was in his 89th year at the time of his demise was born in Cambray, the son of the late William Feir and Elizabeth Berkeley.

As a young man the deceased attended school in the place of his birth and later went to Lindsay Collegiate, then to Bracebridge Normal School preparatory to becoming a school teacher. However, teaching at that time was not as an attractive profession that it is to-day and after teaching four years he decided to enter the Railway Mail Service serving in this capacity until his retirement.

In 1902 he chose as his life partner the former Annie Maude Poucher who predeceased him in 1948. Though having many interests in life, the late Mr. Feir was a devoted christian and while he was exceedingly fond of participating in sports, fraternal life and music, he found time to devote much of his time and talents to the work of the Haliburton United Church, especially in the Sunday School where he served a superintendent for over thirty years. When he left Haliburton he said that what he would miss most was serving in the Sunday School.

The late Mr. Feir was a talented musician and over a lengthy period was leader of the Haliburton Citizen's Band during which time this musical organization with its white uniforms was known far and wide and its services greatly in demand for nearly every public occasion.

The deceased was a great lover of sport, especially baseball and curling and when his age prevented him from active participation, he continued to follow the activities of same by means of the papers and radio. His cheerful offhand manner and mode of living made him many fine friendships which endured to his life's end.

The late Mr. Feir had a long association with the Masonic Order having become a member of North Entrance Lodge, Haliburton in the year 1915. He was installed as Worshipful Master in 1920 and was appointed a Grand Steward in 1934. A Masonic service was held at the Chapel of John Welch and Son, Minden on Friday evening, October 23rd at 8:30 p.m.

The funeral service was held from the United Church, Haliburton on the morning of Saturday, October 24th with the Rev. George Petrie, a close friend of the deceased, in charge. The minister paid high tribute to the late Mr. Feir for the valued service that he had rendered to the church, especially the Sunday School. He also remarked that for many years the late Mrs. Feir served as organist in the church.

Those who survive are two sons, Cyril and Berkeley, both of Haliburton, and one brother, Athol of Richmond Hill, also four grandchildren and twelve great grandchildren.

The pallbearers, members of the Masonic Order were R. J. Curry, Lester Walling, G. H. Thayer, Bruce Gould, Gordon Griffin, and Russell Woodcock. Interment was made in Riverside Cemetery, Lindsay.

Solitude And Beauty Being Banished

Some of the summer residents and local citizens have been complaining recently of the noise made by outboard motors on our lakes. The following are Pete McGillen's views on the matter.

The summer solitude and beauty is being banished on some lakes in the Haliburton Highlands because youngsters are permitted to use a sea-flea type of boat and motor.

They zoom into the bays and close to docks and the noise of the motors rockets off the high stone cliffs. It's a ruddy nuisance.

Perhaps some far-sighted councillor up that way would introduce a by-law forbidding the use of outboards with above water exhausts or ban specifically the water toboggan and the sea-flea.

After all, people go to the Highlands for comparative peace and quiet and they shouldn't have to tolerate thoughtless youths and his tumult.

We have anti-noise by-laws in the cities when the place we need them most is in the vacation areas.

Centre Of Hate

Telegram reporter Frank Jones has located the distribution centre for the hate pamphlets that have been flooding this and other areas in Canada — a farmhouse in the Haliburton district.

The man in charge of this central agency is John Ross Taylor, an old hand at the dissemination of racist ideas. He is known to the RCMP as one of the leaders of the Canadian Union of Fascists whose growth paralleled the Nazi movement of the 1930s.

His headquarters is now a training ground for youthful peddlers of racism.

Thus is the hate tradition passed from one generation to the next and implemented in an organizational frame. It is important for the public to be aware of these activities and even more important for the authorities to be concerned about some of the new techniques which Taylor and his cohorts are developing.

From general hate propaganda they are graduating to a series of pamphlets attacking Canadian Jewish leaders by name.

Under our present laws group libel is not punishable, but the choice of specific targets could bring the hatemongers into the area of chargeable offenses. The situation bears close observation and investigation.

Meanwhile, Taylor's hatesheet storehouse, indicates that simply denying the mails to the distributors, proper as that is, does not constitute an effective measure.

We still need changes in the Criminal Code to outlaw hate publications. Legal experts believe such changes can be made without encroachment on the basic right of free expression. Why the delay of the Justice Department, which has been studying the subject for many months?

Busy Day In The Life Of Rotary District Governor

Arthur J. Grout is District Governor of District 701 of which the Minden and Haliburton Rotary Clubs are part of. The District Governor will pay his official visit to the Haliburton Rotary Club next Thursday, November 19th. Later on he will be visiting the Minden Club.

The Sudbury Star recently ran an article on Art Grout with a heading of a "Busy Day in the Life of Rotary District Governor". On his official visit to the Sudbury Rotary Club, he had the opportunity of seeing Rotarians at work.

In the morning he was out to see the new telephone exchange in Sudbury. Later on the District Governor dropped in at the Cement Products Plant. In the evening he attended a reception put on for him and he was presented with a copper tray.

Arthur J. Grout, District Governor, is proving to be a very popular and busy District Governor.

Notice to Creditors AND OTHERS

In the Estate of JOSEPH HEWITT, Gentleman, deceased.

All persons having claims against the estate of the above mentioned, late of the Village of Minden, in the Provisional County of Haliburton, who died at Bobcaygeon, Ontario, on the 2nd day of November, A.D. 1964, are required to file proof of the same with John James Hewitt and Joseph Earl Hewitt, the Executors of the Estate of the said deceased, in care of J. Earl Palmer, Q.C., Minden, Ontario, on or before the 14th day of December, 1964.

After that date the Executors will proceed to distribute the estate, having regard only to the claims of which they then shall have had notice.

DATED at Minden, Ontario, this 10th day of November, A.D. 1964.

J. EARL PALMER, Q.C., Minden, Ontario, Solicitor for said Executors.

Card of Thanks

The family of the late Mr. Frank Barry wish to express their sincere thanks and appreciation to relatives, friends and neighbours for their floral tributes, acts of kindness and sympathy shown during their recent bereavement in the loss of a dear husband and father. Special thanks to Dr. Good, Rev. Staples, Frank Welch and John Fleming.

I would like to express my thanks to all those who, by their cards, letters, gifts and prayers while I was in the hospital and while recuperating at home, showed their concern and interest, kindness and thoughtfulness. The realization of the innate kindness and thoughtfulness of everyone warmed my heart and made my confinement much more bright and easy to bear. I would like to give a very special thanks to all the boys and girls who sent cards and letters. They cannot realize just how much it meant to me to hear from them.

RALPH HUSSEY.

Our grateful thanks to all our friends for cards, expressions of sympathy and kindness during our bereavement. A special note to Dad's neighbours who visited and helped in so many ways during his long illness. Your kindness will always be remembered.

The family of the late Joseph Hewitt,

IN MEMORIAM

THICKETT — In fond memory of a dear friend, George Thickett, who passed away November 5th, 1963.

Always a smile instead of a frown,
Always a hand when one was down;
Always true, thoughtful and kind,
Wonderful memories he left behind.

—Ever remembered by his friends Clair and Josephine Sawyer and family.

Lifetime Resident Passes Away

Miss Jessie Valentine (Janet) Soutar passed away at Ross Memorial Hospital on November 3rd. She was a daughter of Mr. and Mrs. Andrew Soutar and they lived on a farm at Deep Bay on Gull River until they moved to Minden. One sister, Mrs. Samuel Bryant of Norland survives.

Miss Soutar was a highly esteemed member of Minden United Church which she had attended faithfully during her lifetime and several years ago was presented with a life membership in U.C.W.

Miss Soutar fell some time ago and sustained a broken hip and her many friends called on her or sent her cards in hospital. She had enjoyed a long life time for her years numbered 83 and although she lived alone she had her garden, home and church work to keep her happy. Such a respected member of the community is sadly missed by all.

CHURCH NEWS

FULL GOSPEL NEWS

The ladies of the Full Gospel Lighthouse meet to-night at the home of Mrs. Oliver Higgins for their monthly Ladies' Missionary Fellowship meeting. This group of the church is engaged in supplying the needs of missionaries on the ten fields operated by the Apostolic Church of Pentecost.

Last month an open meeting was conducted in the Church to see movies and slides of Southern India, presented by Miss Irene Steeves who is on furlough.

FULL GOSPEL SUNDAY SCHOOL PROMOTIONS

Last Sunday was a joint missionary and promotion Sunday in the Full Gospel Sunday School. The members of the school contribute each month towards the support of a national worker and family in Malawi, Africa. The congregation make up the difference.

Gregory Brown and Rocky Roberts were promoted to the Teenage Class with Pastor McNeill as their teacher. Ricky Fraser became a member of the Junior Class with Mr. Murray Anderson as teacher. Susan Schallenberg, Jennifer Brown, and Rhonda Thomas became members of the Primary Class with Mrs. Doris Fraser as their teacher. Mrs. Wanda Robinson is the new teacher for the Beginner Class in the Sunday School. Mr. Dan Davison assumed the important position of Sunday School Superintendent on October 1st and under his leadership the Sunday School has taken on new life.

COMMUNITY HYMN SING

Another in this series of interested evenings is being planned for November 22nd. During

the evening the congregation will sing hymns of their own choosing. Special numbers will be presented by different instrumental and vocal groups. Pastor McNeill will deliver a brief Bible-centred message.

ST. PAUL'S W.A., MINDEN

The W.A. of St. Paul's, Minden met in the Parish Hall Tuesday, October 27. It was a very special gathering to celebrate the 65th Anniversary of the founding of the group.

The beautiful hymn, "For all the Saints" was followed by a Scripture reading: St. Luke 8: 1-3, "Certain women were there who ministered to Him of their substance". That group could have been the first W.A.

The minutes of the first meeting held Oct. 25, 1899 were read. The Rev. James Fenning, Incumbent at that time, was in the chair. The names of the charter members are quite familiar: Mrs. Delamere, Mrs. Curry, Mrs. Noice, Mrs. Welch, Mrs. Peck, Mrs. Hartle and Mrs. Scott. Three daughters of these ladies are today active in our group: Miss Ida Noice, Miss Isabel Curry and Mrs. Helen (Peck) Welch.

To honour the occasion it was decided that a small communion set be presented to the Church.

After the closing prayer, Mrs. Walter Welch, our hostess, assisted by Mrs. Garnet Lytle, served a most delicious lunch. A birthday cake with candles and suitable inscription lent quite a festive air to the occasion.

On Sunday, Nov. 1, the members each wearing a corsage, a gift of the Church, followed the choir to pews reserved for them at a solemn service of Holy Communion. One felt here is truly a dedicated group, always "there" and always ready "to minister to Him of their substance".

Magistrate Warns Youth Drink Can Be Expensive

LINDSAY (ENS) — A Burnt River youth who stuck to his story that he found a bottle of beer at the Somerville Township dump was convicted of drinking while under age, when he appeared before Magistrate Ian Munro last Monday.

Brian Godwin, 16, was also convicted of a similar charge in August and was placed on probation. On the second occasion his escapade resulted in a \$25 fine and costs of \$16. Godwin was warned by the magistrate that he would serve a jail term if he appears before him again.

"You are starting out badly. You will find that drinking liquor illegally can be an expensive hobby," said Magistrate Munro.

Mrs. Wright, operator of the village general store, testified that on Oct. 24 the accused refused to leave the store. She said the youth was carrying a beer bottle and had obviously been drinking.

She said two of the accused's sisters attempted to get him to leave the store, but he tussled with them.

Mrs. Wright said Godwin adopted a threatening attitude with the bottle. She said there have been many similar incidents with teenagers. "We tell the parents but they won't co-op-

erate." The magistrate said he did not believe Godwin's story about finding the beer. He warned him that any further incidents would lead to a jail term.

Cardiff Fire Burns Store, Legion Hall

A fire at approximately 5:00 a.m. of unknown origin destroyed the Grocery Store in the Cardiff Townsite operated by Mrs. Christine Ring, and the Royal Canadian Legion home of Branch 566 at the rear of the building.

The building which has been unused since the Dyno and Bicroft Mines ceased operations in the area, was recently purchased and opened up by Mrs. Ring in July of this year.

The few Cardiff Legion members in a strong effort to keep the Branch alive, renovated the rear half of the building and made it into a fine home.

Both Mrs. Ring and Branch 566 suffered heavy losses.

Cardiff Townsite volunteer fire department was unable to control the blaze.

Apsley Ontario Provincial Police are investigating.

OBITUARY

WILLIAM EDWARD DICKEY

William Edward Dickey passed away very unexpectedly on Friday, October 9th, 1964 at the home of friends in Peterborough, Ontario, following a severe heart seizure. The suddenness of his passing was a distinct shock to his many friends and relatives.

Mr. Dickey, familiarly known as "Bill" was born in Nottawaga Township on February 5th, 1911. His parents were the late James Dickey and Ellen Stephenson. He lived in the township until his marriage to Reta Brilling in 1932 when they came to Stayner. Mr. Dickey was a mechanic by trade and operated a garage in Stayner prior to moving to Haliburton six and one half years ago. There he was employed by Hay and Co., now Weldwood of Canada.

Mr. Dickey, who was a Presbyterian, was a member of L.O.L. 463 Stayner, a Past County Master of the Lodge and a member of the Black Knights.

Besides his wife Reta, he leaves to mourn his loss six children, Ruth (Mrs. Harry Adams) of Minesing, Lyle of Stayner, Dorothy (Mrs. Robert Meek) of Meaford, Joan (Mrs. Robert Wilde) of Orillia, Ross and Mervyn of Stayner; one brother Robert and two sisters, Mary (Mrs. MacDonald) and Ella (Mrs. Albert Rumble) both of Stayner. Also surviving are twelve grandchildren.

The funeral was held on Monday, October 12th, 1964 from the Mathers Funeral Home, Stayner. The service was conducted by Rev. J. D. C. Jack of Cobourg, assisted by Rev. Jas. Ritchie of Stayner. Interment was in Stayner Union Cemetery. The pallbearers, all nephews of the deceased, were Eric and Oscar Dickey, John Rumble, Allister, Donald and George MacDonald. On Sunday evening an L.O.L. service was held at the funeral home.

Among the many beautiful floral tributes that attested to the esteem in which the deceased was held were those from Weldwood of Canada, Nottawaga and Stayner Fire Departments, Meaford Fire and Police Departments, Hanna Motors, Brockwell Motors, Bellamy Equipment Ltd., L.O.L. 463, St. Peter's Church, Minesing, Wednesday Night Bowling League, Presbyterian Ladies' Aid, United Investment Services and neighbours.

Friends and relatives from a distance attending the funeral were from Haliburton, Huntsville, Orillia, Whitby, Toronto, Port Credit, Detroit, Alliston, Sault Ste. Marie, Mansfield, Barrie, Collingwood, Creemore, Glencairn, Meaford, Oshawa, Everett, Georgetown and Stouffville.

CHURCH NEWS

UNIT ONE, U.C.W.

The November meeting of Unit One, U.C.W. was held at the home of Mrs. R. Curry with eight members present.

The meeting opened with the call to worship by Mrs. H. Black. This was followed by prayer.

Mr. Petrie was present and conducted the study of the fifth chapter of the "Word and the Way on Evil". A very interesting discussion followed the study.

A report was given on the U.C.W. Rally held in Wilberforce. No report was given by the Treasurer, or Social and Supply Convenors. The Programme Convenor, Mrs. R. Curry, called for suggestions for entertainment at the December General meeting and several good ideas were discussed.

The Leader announced that the date of the Bazaar had been changed from Nov. 27th to Nov. 28th at 2 p.m. Several members volunteered to work at the various bazaar tables.

It was agreed that there would be no Unit meeting for Unit

One in December, but all members were urged to attend the General meeting being held in the Church Hall.

UNIT THREE, U.C.W.

Unit 3 of the Haliburton U.C.W. met at the home of Mrs. Pauline Brohm on Tuesday, November 3rd at 8 p.m.

The meeting was opened with the hymn "O Worship the King", followed by a prayer by Mrs. Petrie, the President.

The worship period was devoted to the study book, "God and His Purpose".

The roll call and offering followed the reading of the minutes of the October meeting.

Plans were finalized for the Annual Christmas Bazaar.

A demonstration of chocolate making, conducted by Alice Robertson and Florence Johnston, was an interesting feature of the meeting.

The Mizpah Benediction was repeated, after which refreshments were served by the hostesses.

Township of Snowdon

Nominations for Reeve, Council and School Trustees for the Township of Snowdon will be held at the Township Hall in Gelert on Saturday, November 21st from 8 to 9 p.m.

Election if required on Saturday, December 12th.

SIDNEY JENNINGS, Clerk.

\$500.00
CASH

You Get a \$500 Cash Incentive

To help keep Canada's building trades busy and productive during the winter season, the Federal Government is again offering to pay a \$500 cash incentive to those who build or buy a winter-built home.

What is a Winter-Built Home?

A winter built home under this program is one that has not proceeded beyond the first floor joist stage by November 15th and is substantially completed by March 31st, 1965.

How Do You Proceed?

It's easy. Pick up an Application for Certification form at your National Employment Office or Central Mortgage and Housing Corporation office, fill it out and mail to your nearest CMHC office. If you wish, your builder can do this for you. Complete information on the program is included on the application form.

Act Now

See your builder and arrange to have your home winter-built. Help yourself to that \$500 cash incentive and help Canadian industry stay busy throughout the winter.

Last Winter more than 28,000 homes were built under this program.

DO IT NOW!
Have Your Home
Winter-Built!

Issued by authority of Hon. Allan J. MacEachen, Minister of Labour, Canada.

Committee Approve

(Continued from Page One)

Frank Welch, County Clerk and Clayton P. Rogers, acting under instruction from County Council. These men are your representatives.

First, we would point out that all the institutions except Ontario and Northumberland and Durham are using buildings approximately 100 years old. Many alterations and repairs have been made in the meantime, yet they are inadequate to serve to-day.

We will deal here primarily with the Counties of Victoria, Peterborough and Haliburton.

Peterborough jail is much over-crowded. This does not apply to County of Victoria at Lindsay. Both jails are about 100 years old.

The matter of some move is quite apparent. Your committee on invitation from other sources visited two of the camps operated by the Ontario Depts. where young prisoners from Guelph and Burwash are given useful employment for a few months before discharge. These are well managed, do a useful service and are considered quite successful.

We also visited the Maximum Security Prison at Millbrook — this institution as the name implies, houses the more serious type of prisoner and close supervision is required. Conditions are good, inmates are given meals in cells, which are roomy, have artificial light, a recreation area for use one hour in the evening is provided, a chapel and an excellent library are in the building. A splendid kitchen is in use and all food is processed on the premises. In the first instance all help is obtained from the inmates, in the later case all personnel of management are secured from the area outside the institution.

It is apparent something must be done shortly and the proposition is to establish at or near Peterborough, a modern institution to serve Counties of Victoria, Haliburton, Peterborough City, County of Peterborough and possibly Counties of Ontario, Northumberland and Durham, although these counties have accommodation erected

more recently.

The Depts. of Province of Ontario are anxious to proceed soon with some advanced policy in these matters and the Minister has promised that the operational cost would not be more of a burden to the counties than at present.

With these facts before us,

your committee agreed that County Council signify their willingness to sanction this procedure, and notice be given the County of Victoria to this effect.

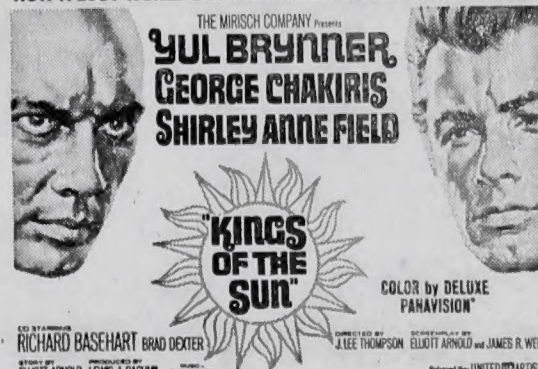

Sincerely,

Roy Brohm, Reeve of Dysart
Frank Welch, County Clerk
Clayton P. Rogers,
Appt. Rep. County Council

Is there a Heat Thief
(inadequate insulation)
in your attic?

You wouldn't think of going through winter without storm windows. Yet inadequate attic insulation cost seven out of ten homeowners more in heat bills than going without. Why? For one simple scientific reason. Heat always rises, right through inadequate attic insulation. Bring your attic insulation up to the 4 inch level with Zonolite. Cuts heat bills terrifically.
